

Education

NetApp offers a comprehensive portfolio of technical training and education services designed for individuals, companies, and public organizations to acquire, maintain, and optimize their IT skills.

At Evolving Solutions we provide a first class training facility. Courses are instructor-led with several sessions offering hands-on lab opportunities to deliver top quality education with certification paths. We are committed to helping clients realize quality and cost-effective training opportunities.

We are now offering NetApp classes:

| Date | Course | Type | Course Title | Length (Days) | Cost |
|----------|--------|--------|--|---------------|------------|
| 4/5/2010 | | NetApp | NetApp Performance Analysis on Data ONTAP 7.3 (Unitek Training-NETAPP-PAF) | 3 | \$2,700.00 |
| 4/8/2010 | | NetApp | NetApp Data ONTAP NFS Administration (Unitek Training-NETAPP-ONTAP-NFS) | 1 | \$900.00 |
